Dear Valued Customer, Vendor, or Partner:

Re: Atwood Fence Joins Reynolds Fence & Guardrail

We are excited to share some important news: effective July 3, 2026, Atwood Fence Company, Inc. has been acquired by an affiliate of Reynolds Fence & Guardrail, Inc., a respected roadway infrastructure services company based in Indian Trail, North Carolina. This acquisition follows Reynolds' recently announced strategic partnership with Mascarene Partners, a middle-market infrastructure investment platform.

Joining forces with Reynolds is a significant milestone for our company. Together, we now operate as a larger, more capable platform with expanded bonding capacity, a broader equipment fleet, deeper technical and engineering resources, and the ability to take on bigger and more complex projects across the region — all while keeping the responsive, locally-driven service that has always set Atwood Fence apart. We are proud to be part of this next chapter and could not be more optimistic about what it means for the customers, vendors, and agencies we serve.

Just as important as where we are headed is what is staying the same. You will continue working with the same people, project managers, crews, and accounting contacts you know today. Our equipment, safety standards, bonding capacity, licensing, and certifications remain fully in place, and ongoing and awarded projects will proceed without interruption on existing pricing and terms. Neal Wise, who has led Atwood Fence's operations for the past several years, has become President of Atwood Fence as Kay Atwood Van Skiver - who built this company's reputation for quality and reliability for over 50 years – has retired. Atwood Fence will keep operating locally under the Atwood Fence name, with the same local decision-making and personal service you expect — now backed by significantly greater resources as part of the Reynolds platform.

Because this transaction involved a change to our corporate structure and legal name, this letter also serves as formal notice, to the extent required under any applicable notice, assignment, or change-of-control provision in your agreement(s) with us, of the Company's conversion from a Mississippi corporation to a Mississippi limited liability company and its new legal name Atwood Fence Company, LLC. **This conversion did not create a new legal entity, effect an assignment, or result in a novation of any existing contract: Atwood Fence Company, LLC is the same continuing legal entity previously known as Atwood Fence Co., Inc., and all rights, obligations, contracts, purchase orders, bonds, licenses, and agreements remain in full force and effect without interruption.** The Company's federal tax identification number remains **EIN:**

64-0601112. No action is required on your part as a result of this notice unless you are separately instructed to update remittance or vendor records to reflect our new legal name.

If you have any questions about this transition or need updated documentation (such as a current W-9, certificate of insurance, or bonding confirmation) reflecting our new legal name, please contact:

We are proud of what this partnership means for our future, and grateful for the trust you have placed in us to get here. We look forward to building on that trust with the same commitment to safety, quality, and reliability that has always defined Atwood Fence — now as part of a stronger, expanded platform.

Sincerely,

Neal Wise
